The Rise of Nine Pittacus Lore 2012 In the beginning we were a group of nine. Nine aliens who left our home planet of Lorien when it fell under attack from the deadly Mogodorians. We scattered on earth and went into hiding. We look like ordinary teenagers. We are not. Until I met John Smith, *Number Four*, I'd been on the run alone, hiding and fighting to

stay alive. Together we are much more powerful. But it could only last so long before we had to separate. They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. They caught me in New York - but I escaped. I am Number Six. The Mogadorians want to finish what they started. But they'll have to fight us first.

I Am Number Four Collection: Books 1-6 Pittacus Lore 2015-09-01 The first six novels in the New York Times bestselling Lorien Legacies series are included in this collection: I Am Number Four: The book that started it all . . . Nine of us came here. We look like you. We talk like you. We live among you. But we are not you. We can do things you dream of doing. We have powers you dream of having. We are stronger and faster than anything you have ever seen. Our plan was to grow, and train, and become strong, and become one, and fight them. But they found us and started hunting us first. I am next. The Power of Six: I've seen him on the news. Followed the stories about what happened in Ohio. There are six of us left. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? I am Number Seven. One of six still alive. And I'm ready to fight. The Rise of Nine: In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. The Fall of Five: When the Garde receive a sign from Number Five—a crop circle in the shape of a Lorien symbol—they know they are close to being reunited. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before it's too late. The Revenge of Seven: The Garde have suffered

an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are now scattered. The Fate of Ten: The sixth and penultimate book in the series! For years the Garde have fought the Mogadorians in secret. Now all of that has changed. The invasion has begun. The Garde are stretched thin, fighting this war on many fronts. The only chance they have is to take out the Mogadorian leader once and for all—but his fate is now irrevocably tied with Ella's. They can't destroy one without the other. But if the Garde can't find another way to stop the Mogs, humanity will suffer the same fate as the Loric: annihilation.

He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny's cousins are free to create magic whenever they like, they must never do it where outsiders might see. Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. *The Mithermages* series *The Lost Gate* *The Gate Thief* *Gatefather* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Discord of Gods Jenn Lyons 2022-04-26 The Discord of Gods marks the epic conclusion to Jenn Lyons's Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the 'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced

to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of which means he's running out of time. After all, some stars fade — but others explode. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
